BERGER®

- ✓ A complete range with popular consumer features, delivering a high quality finish
- ✓ Exterior range is backed by a 20 year guarantee against peeling, blistering and flaking*
- ✓ Durable paints equipped to handle the everyday wear and tear in Aussie homes
- ✓ With extensive range of colours and products, there's no project too small or too large

About the Berger® range

TOPCOATS

Interior

A washable finish with built in stain resistance and protection against mould.

- Tough and hardwearing.
- Beautiful smooth and washable finish.
- Very low VOC <5g/L and low odour.

Exterior

Provides long lasting UV protection with a 20 Year Guarantee*.

- Self priming on most surfaces, including bare timber, fibre cement, brick and masonry.
- Helps protect against mould, fungus and algae.
- Long lasting colour.

CEILING

Ultra Flat

A smooth, white ultra flat finish to enhance any room.

- Excellent hiding power.
- Helps hide joints, repairs and surface imperfections.
- Low spatter.

DOORS, WINDOWS & TRIM

Enamels

Creates a beautiful and hard wearing finish, ideal for high traffic areas in your home.

- Available in water based enamel and traditional oil based enamel.
- Both available in Semi Gloss and Gloss.
- Interior and exterior.

PREPARATION

Acrylic Sealer Undercoat

Seals and undercoats interior surfaces.

- Easy to sand to a smooth finish.
- Excellent hiding power.
- Very low VOC <1g/L and low odour.

Triple Prep Oil Based

Multi purpose, great hiding properties for interior and exterior use.

- Ideal for covering water based stains and tannin bleed in timber.
- Prepares the substrate for topcoating.
- Use on laminate, aged enamel and over water or oil based prepainted surfaces.

Triple Prep Water Based

For interior and exterior projects that require a sealer, primer and/or undercoat to achieve an excellent finish.

- Ideal for aged enamel, water or oil based pre-painted surfaces.
- Seals greasy oil based stains.
- No sanding required on most surfaces.

*Conditions apply, see <https://www.berger.com.au/>

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

BERGER®

GOLD LABEL®

- ✓ A core range of fit-for-purpose paints focused on reliable trade qualities
- ✓ Designed for the trade painter
- ✓ Good application properties

About the Berger Gold Label® range

TOPCOATS

Interior

An acrylic topcoat that has excellent application properties and helps resist mould.

- Low odour.
- Easy to clean.
- Available in deep, extra deep and extra bright bases.

Interior/Exterior

Ideal for suitably prepared interior and exterior surfaces.

- Good flow and good coverage.
- Designed with the trade painter in mind.

CEILING

Flat White

Ideal for a rental refresh and paint jobs where excellent hiding power is key.

- An interior flat finish with excellent opacity and flow.
- Helps hide surface imperfections.

DOORS, WINDOWS & TRIM

Enamels

A hard wearing oil based enamel range.

- Excellent flow and good coverage.
- Suitable for a variety of correctly prepared interior and exterior surfaces.
- Easy to clean.

PREPARATION

Oil Based Undercoat

Preparation coat with excellent sanding and levelling properties.

- High opacity
- Excellent adhesion to most interior and exterior surfaces, particularly bare timber.

Acrylic Sealer Undercoat

Seals and undercoats a range of suitably prepared interior surfaces including plasterboard, painted timber, brickwork and masonry.

- Easy to use and fast drying.
- Easy to sand.
- Good coverage.

Oil Based Sealer Binder

Use for sealing porous powdery or hard set plaster surfaces.

- Binds chalky surfaces
- Foundation for applying a Berger Gold Label topcoat.
- Seals and blocks water based stains.

Acrylic Block Filler

Suitable for prepared brick, off-form concrete, cement block and a variety of correctly prepared interior and exterior surfaces.

- Provides good coverage and strong adhesion.

Berger has been used on many historic structures, including the Sydney Harbour Bridge when it was completed in 1932.

WHY CHOOSE BERGER®?

- 20 year guarantee* on exterior range
- Mould resistant technology on interior and exterior range
- Great quality
